

International Soccer Academy Pledge

I am a serious soccer player and respect my own health as well as the health of my teammates, coaches, neighbors and the community. That's why I'm committed to doing my part to stop the spread of COVID-19.

#IPledgeInternationalSoccerAcademy

I pledge to do my part to keep our community in good health while I am in Mallorca, Spain. I understand I have a role in the fight against COVID-19 and commit to responsible actions and to being an accountable member of both the International Soccer Academy and the Mallorca community.

I pledge to uphold this pledge every day by demonstrating personal integrity, respecting others, and supporting my soccer program and adopted hometown of Mallorca by:

- Following local as well as international public health guidelines to help protect myself and others — specifically, wearing a face mask where and when required as according to local government recommendations.
- Keeping social distance whenever possible, and protecting myself and others in high-traffic areas or situations where physical distancing isn't possible to reduce the spread of COVID-19.
- Keeping my hands clean and sanitized while on the fields, hotel, and around my community.
- Being a role model and encouraging others to do the same as guidelines and recommendations adapt over time.

By taking the pledge to keep the International Soccer Academy's environment in good health, I accept responsibility for myself and my actions and will do my best to prevent the spread of COVID-19.
